Food Service Contract 2021-2022

This contract, by and between New College of Florida and the student (or parents or guardians if the student is under eighteen years of age), sets forth the basic tenets of food plan purchases and service. Service

Meal Plan balances roll over from Fall to Spring Semester, but zero out after Spring. Students who have been awarded financial aid for 2021-2022 and have sufficient financial aid to cover their fall tuition, room and board will not have to pay their balance until aid is disbursed. Late payments will result in a late fee and/or a suspension of privileges. Special requests regarding meal plan obligations must be directed in writing to the Office of Residential Life and Food Service no later than, Fall Term **Friday, August 27, 2021** and Spring Term **Friday, February 4, 2021**. Special requests are granted at the discretion of the Director of Food Service and will require supporting documentation.
